

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric Min on 5/6/2010.

The application has been amended as follows:

- In claim 202, on line <sup>H</sup>~~X~~, between the words "wherein the" and "includes", *lw 6/17/10* remove the words "specified path" and insert the word -- trajectory --.

### ***Allowable Subject Matter***

2. Claims 139-147, 157-174, 184-192 and 194-204 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding claims 139-147, 157-174, 184-192, 194-204, the prior art of record does not teach, either individually or in combination, "a text message includes an image representative code sequence, different portions of which specify: a third set of characters indicative of the at least one movement parameter for the at least one part image; and to display motion of the at least one part image from the initial position along a trajectory according to the first, second, and third sets of characters".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
